

Unsubscribe Report🔗

The Unsubscribe report shows you the contacts that have globally unsubscribed and what feedback they have submitted. When a contact clicks the unsubscribe link in an automated email, they are redirected to a page with the following options:

1. Go to "Marketing > Reports"

2. Click "Unsubscribe Report "

The report will show you which option the contact chose and any additional feedback they gave prior to clicking the **Unsubscribe Me** button on the page.
