

Tag Purchases With Performance Of Contract🔗

When someone purchases from you, you should apply a tag called, Performance of Contract in order to help be compliance with GDPR law. Performance of a contract means that the contact purchased a good or service from you and you feel that you have Lawfulness of Processing. You can do this quickly by simply adding a purchase action to tag automatically on successful purchase.

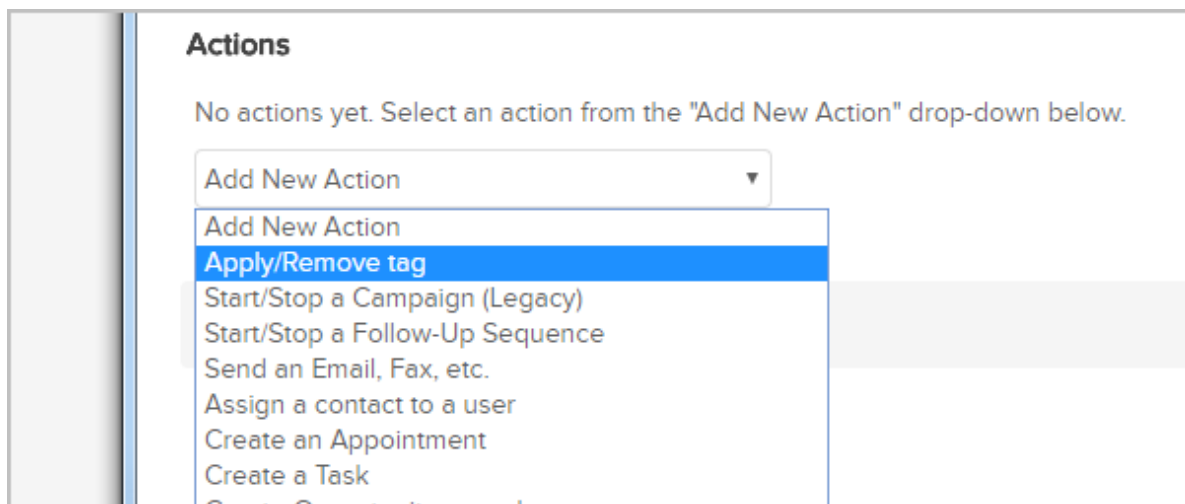

1. Go to **E-Commerce > Settings**
2. Click on **Purchase Actions**

3. Click **Actions** next to Successful Purchase Actions

4. Add an action to Apply tag

5. Add the Performance of contract tag and save
