

# GDPR Settings

We've added a section for you to enter your GDPR information as well as view and accept our updated data policy. Enabling GDPR gives you access to special tools that will help you manage persona data.

1. Go to **Admin > Settings > Privacy and Compliance**

2. Toggle the **General Protection Data Regulation** on

3. All fields need to be filled-out (Address 2 is optional)
4. Check the box to agree to the updated Infusionsoft Data Policy

A screenshot of a web form interface. At the top, there is a large, empty white rectangular box. Below it, on the left, is a vertical grey sidebar. The main content area contains a checkbox with the text "I agree to the Infusionsoft Data Policy". A hand cursor icon is positioned over the checkbox. Below the checkbox, the word "Security" is partially visible. Further down, there is a label "Protect credit card numbers (Show only last 4 digits)" followed by a dropdown menu currently set to "No" and a help icon. At the bottom left of the form is a green "Save" button.

5. Click **Save**

6. You will now have access to GDPR Tools. [Click here](#) to see them in action.
