

Supported Merchant Accounts

Below, are the merchant accounts and gateways that we currently support. Research to determine which of these providers is best for your business. Note that qualification requirements, fees, order thresholds, and services vary.

To help you choose the best service possible, we listed the merchant accounts and gateways along with the geographic area they serve. If you are in the **US, UK or Canada**, we recommend our own processor, **Infusionsoft Payments**.

Infusionsoft Payments is built for small businesses like yours and will give you the best level of integration. You can use the following links to learn more, review sites, service countries, and programs. For more information, [click here](#) .

After you set up an account with a provider, go to **E-Commerce > E-Commerce Setup** and click on **Payment Type**. For more information on how to setup a Payment Type, [click here](#) .

The following merchants Beanstream, Sage Pay, Easy Pay, Worldpay, USA ePay, Moneris, DPS, Internet Secure are no longer available in Infusionsoft. For more information review the Release Notes [here](#) .
