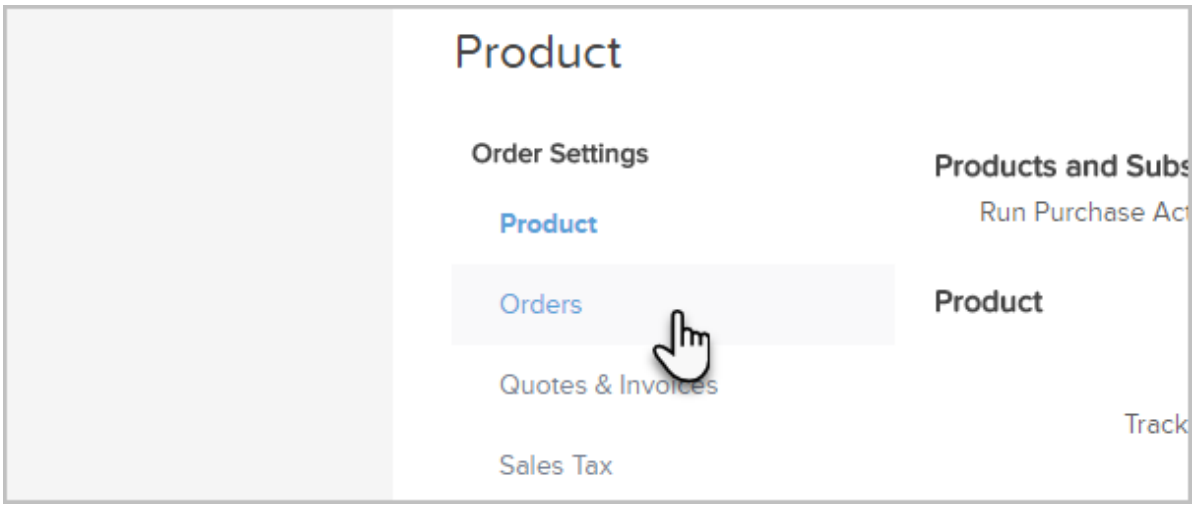
Change The Default Shipping And Billing Country For Online Orders

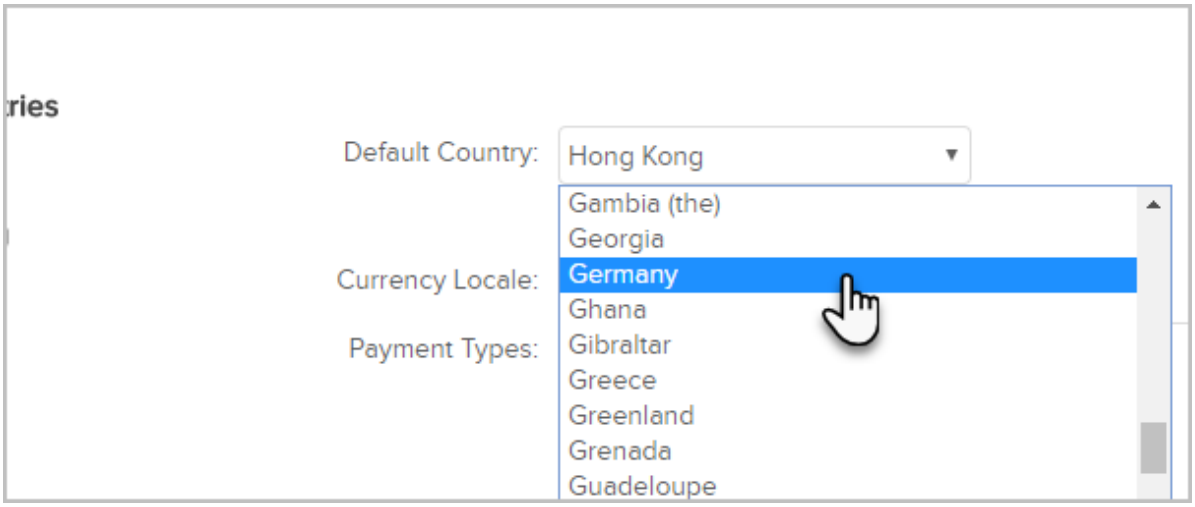
The default country is pre-selected when a customer checks out through your Infusionsoft Shopping Cart or Order Form. You can change the default country in the Order Settings.

1. Go to **E-Commerce** > **Settings** in the master nav.

2. Click on **Orders** in the *Order Settings* menu.



3. Select the **Default Country** from the drop-down.



4. Scroll to the bottom of the settings and click **Save** to apply the update.
