

Who Is WePay?

WePay is the payment technology company that Infusionsoft by Keap has partnered with to provide Keap Payments. WePay is the most flexible and easy to use payment processing solution designed specifically as a payment enablement solution for platforms like Infusionsoft by Keap.

Keap Payments Overview

- **Fast setup and easy to use:** Getting paid shouldn't be stressful – Keap Payments makes it simple. Signing up is easy and stress-free (and takes about 10 minutes). Most customers are approved and able to accept credit cards in minutes.
- **Transparent pricing:** Just because you're a small business owner, doesn't mean you should be charged more. Keap Payments charges a low, flat rate of 2.9% + \$.30 per transaction. Funds typically clear within 48 hours. You even have the option to decide how frequently you would like your funds to be deposited. No hidden fees and no surprises mean more of your hard-earned money stays in your pocket.
- **Integrated and painless payment processing:** Tired of calling two different companies for support issues? Keap Payments is seamlessly integrated, from setup to support. So, whether you work out of the office or on the road, you can stop stressing about when and how you're going to get paid – and get back to running your business.
