

April Update 2018 | Classic Infusionsoft®

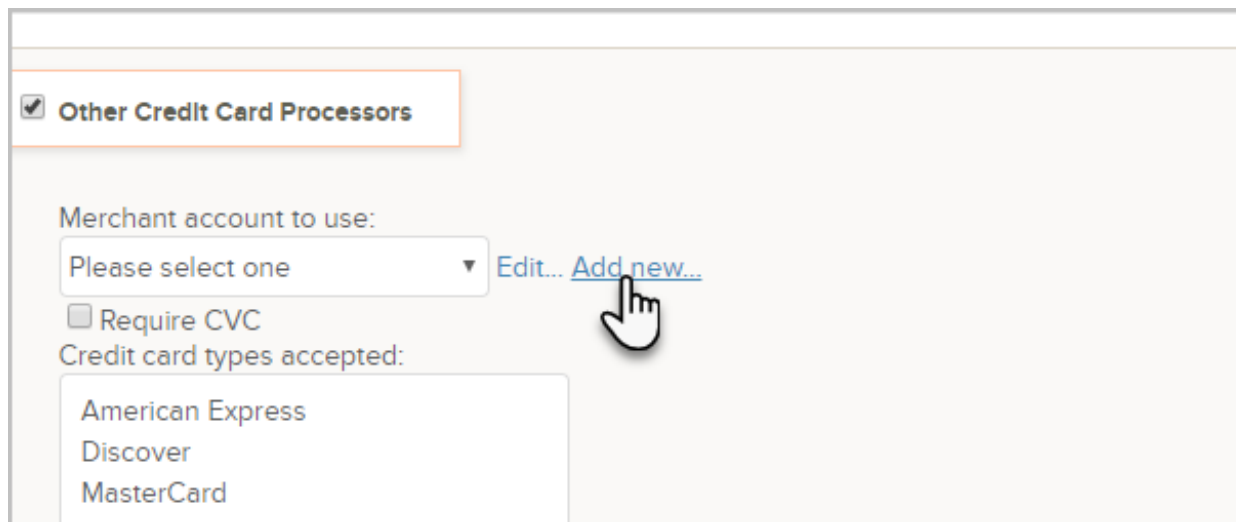

A/B Test Email Broadcasts

You can now A/B test up to 5 email variants when sending an Email Broadcast! [Click here](#) to watch the video and read the step-by-step article.

FlexPay Gateway Integration

Infusionsoft now supports the [FlexPay](#) gateway. FlexPay uses advanced AI to help reduce credit card decline rates. Check out [their website](#) to learn more and [check out the article](#) to learn how to set it up in Infusionsoft .
